"THE BLACK MAJIC CHICK"

To the "Gentlemen" of the Senior Class:

There's an old saying: "Familiarity breeds contempt" — but in your case, not knowing you even did the trick. Good luck in the future—staying away from the cops and the F.B.I. If it's any consolation, you'll always be in our memories—no matter how hard we try to forget.

"Any more comments on the senior class and I'll"

"Beat It."

"Hey, Stand Back!"

Nothing worth doing is complete in our lifetime,

Therefore we must be saved by hope.

Nothing true or beautiful makes complete sense in any context of history,

Therefore we must be saved by faith.

Nothing we do, no matter how virtuous, can be accomplished alone,

Therefore we are saved by love.

The class of 1975 started their school careers in Roosevelt, Lincoln, St. Michaels and Perkins schools. There were 283 enrolled in kindergarten. We learned to read, make Easter bonnets and "scare the community" with our Halloween parades.

Some of us were bussed to our fifth grade at East Pal. We had the distinction of being bussed before it made national news.

We joined the rest of our class at the "big, scary Junior High" in our sixth year. There we encountered shop, homemaking, Mr. Robb, and Mrs. Patanzo.

In our freshman year we grew up and became "adults". Mr. Neely tried to scare us the first day in the high school, but we weren't too afraid because Rick wasn't shaking too much.

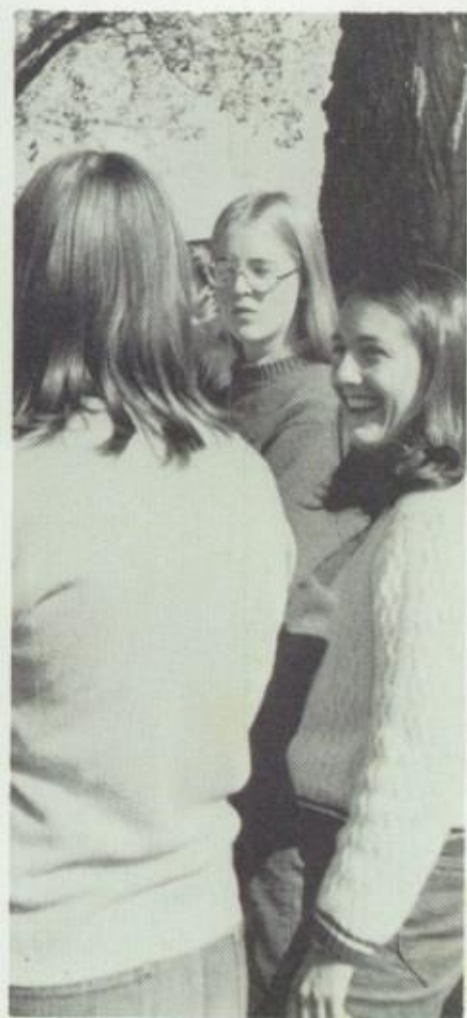

In our Junior year we produced with much argument "The Mouse That Roared" and sponsored a very successful Junior Prom.

Now we are Seniors and ready to leave our school careers. We now have 239 classmates. Many have left us and many have joined us. We'll always remember the Class of '75.

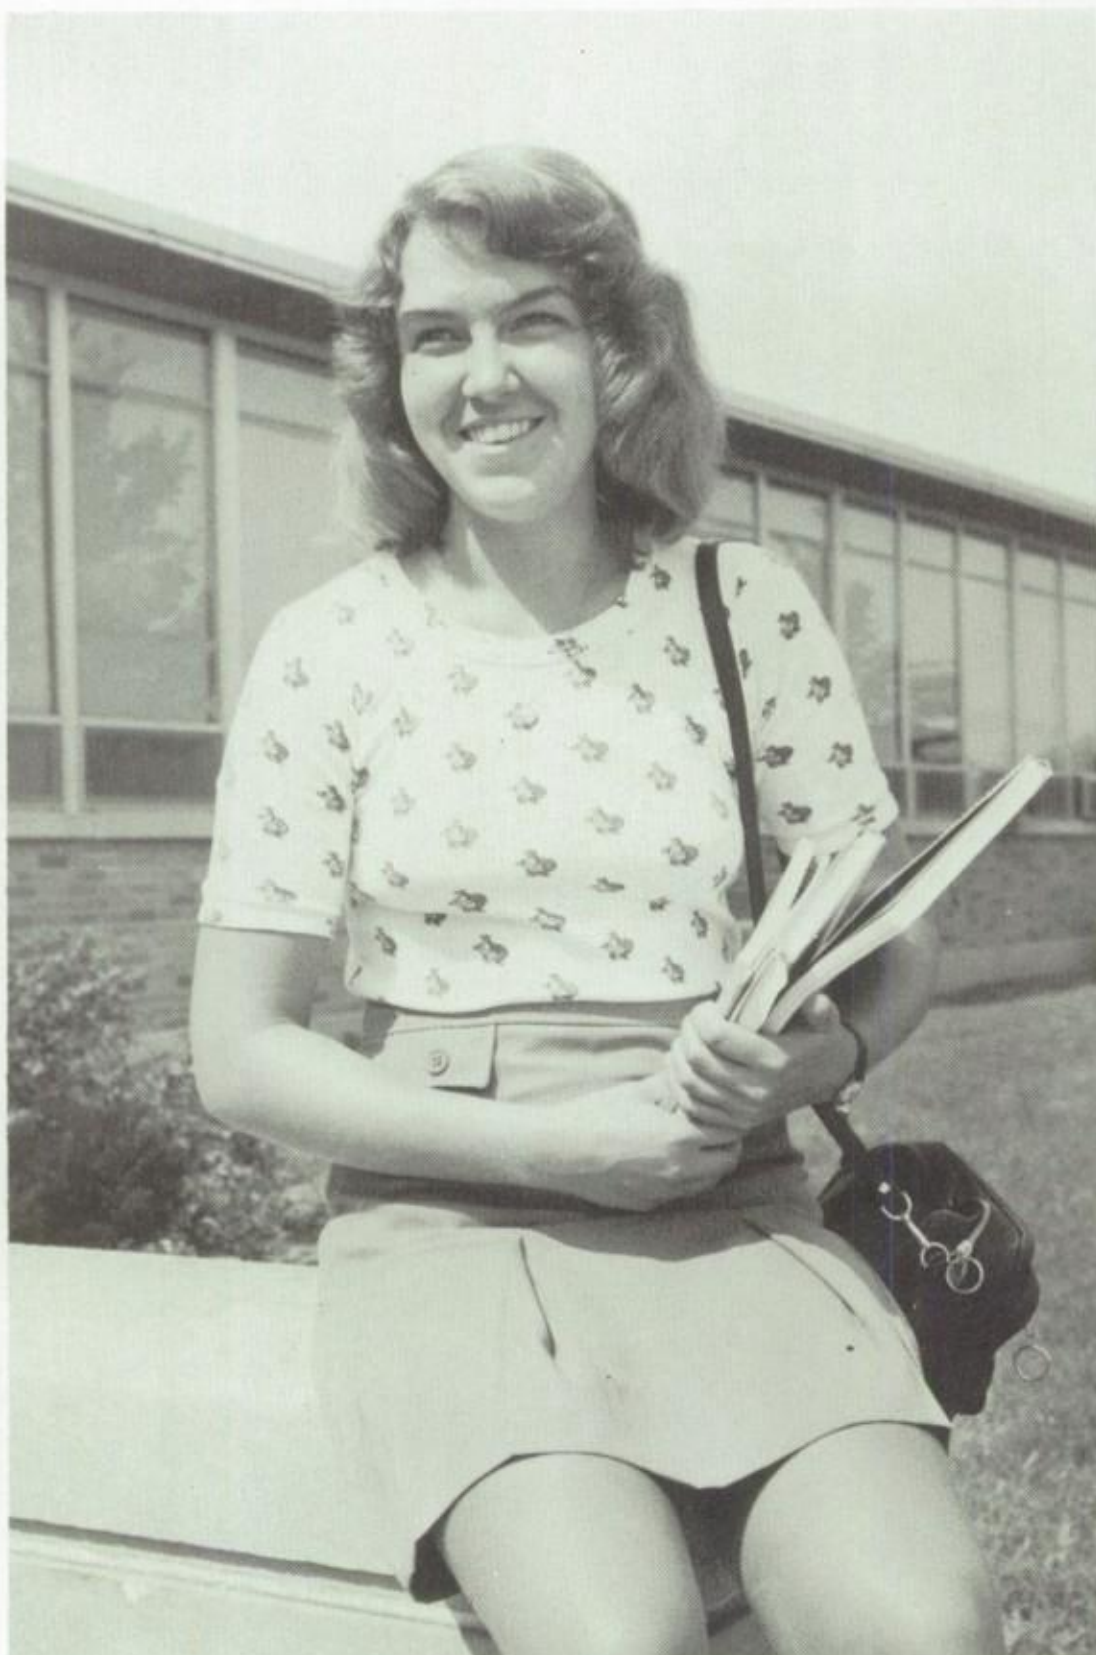

Class

of '75

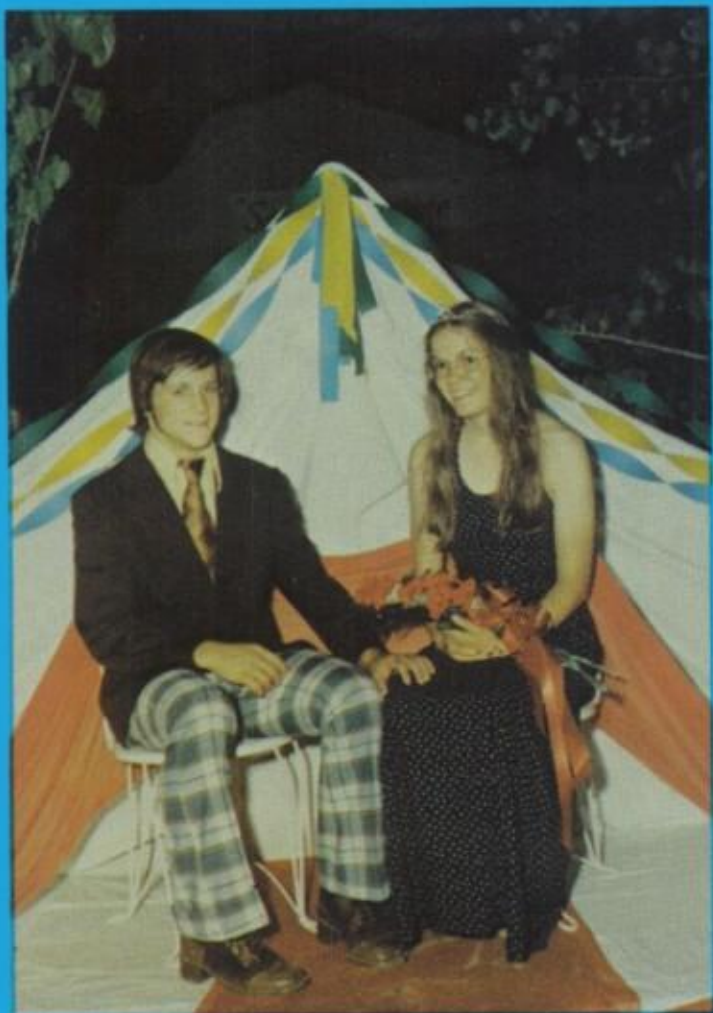

Lena Bergsman from Sweden

I will thank you all for making my stay here in USA and Newark so nice and joyful. I will never forget it. And a special thanks to the Leene's that I stayed with. It really has been a pleasure for me staying in your school. Everyone has been so kind and friendly to me, that even the first moment I felt welcome. I'm always going to remember you all and the stay here for the rest of my life. I will miss you, but I hope I see you soon. Take care.

Love, Lena

This year's Arcadian has gone through many changes, with many new ideas. Pam Allen and I attended a yearbook seminar in Virginia last summer where we learned the techniques of organizing a yearbook, and there we picked up many of our new ideas. I would still like to see many more changes.

A special thanks to Mrs. Tiedemann and Mr. Neely who helped us get our senior colored picture in the Park. Also thanks to Greg Hardy and Mr. Hawver who prodded our art staff for the unique cover and division pages.

No yearbook is a success without sales and ads, and Joanne Chapman, Anita Celso and Mr. Slack helped us tremendously here.

Thanks to all those who put in so much time putting the Arcadian together and to Mr. Thomas for graciously lending us the lab to work in.
